1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer who will have to pay the rate increase.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am retired and living on social security and we haven't received any increases in social security and probably will not see any. Therefore, how can a utility think about a 17 percent increase in rates?????

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
(This section should be completed.)

NO!
